

Inspirational Display Solutions

Mature, proven and familiar to everyone, Android is the gateway to high-impact visual communications. It's the key to great content and intuitive interaction.

For systems integrators, Android offers known, open-platform device management capabilities. For their customers, Android provides a simple way to share great content that will engage their target audiences. And for end-users, Android stands for exciting content and intuitive interaction.

This is why more and more of our professional TVs and signage displays use the world's most developed and popular operating system: Android.

Engage and inspire end-users
Android makes playing targeted content a breeze. So it empowers companies and organizations to drive up revenue, reduce costs and improve customer and user satisfaction with great content and slick interactive and self-service solutions.

Add value as a systems integrator
Android-based SoC is open platform and supports both web and native Android Apps. Enjoy simple cross-platform compatibility and fast builds with Android web apps. Or leverage the power of native apps and device-specific hardware to enhance display and network security and connectivity.

Inspirational Display Solutions

Beautiful displays and stunning signage are only as good as the systems that manage them. CMND lets you do everything simply, centrally. Whether you have one display or 1,000.

Your do-everything management platform
CMND is an end-to-end solution for connected professional displays. It covers system deployment, system operation, content creation and system maintenance all via one drag and drop interface. The bottom line: more engagement, more uptime, less frustration and lower total cost of ownership.

Run your network remotely with CMND & Control
Ready for an easy way to manage multiple displays? CMND & Control lets you set parameters, update software and customise and configure multiple displays at once. From wherever you are.

Optimise the customer experience with CMND & Create
CMND & Create is a powerful authoring tool for creating compelling content. With its drag and drop interface, preloaded templates and integrated widgets, you'll be amazing customers with compelling stills and captivating video content in no time.

Get setup fast with CMND & Deploy
CMND & Deploy supports fast installation and easy deployment. With CMND & Deploy, you can add and remove settings via cloning and install apps remotely.

Personalise and interact with CMND & Check-In
CMND & Check-In transforms the hospitality experience by increasing both personalization and efficiency. It comprises surprise-and-delight touches like Name on TV and guest-language input, plus messaging, Bill on TV, express checkout, different channel packages and more.
