ZonePad 1

Single zone wall controller

Optimal Audio

FEATURES

- Remote control wall panel for control of an individual zone
- Contemporary design fits in with any décor
- Intuitive layout via touch sensitive controls
- Easily configured to suit your venue
- Includes one local mic and one mono music input
- Easy access to everyday functions
- Very competitive pricing

ZonePad 1 is a wall mounted controller, providing users clear and simple access to the essential controls of one zone of an Optimal Audio system.

It enables selection and volume control of playback source and a local microphone and mono line

input. ZonePad 1 gives all users the confidence and access they need to operate an Optimal Audio system.

ZonePad 1 features a clean, slick intuitive touch interface.
